

It's a great day to be a Grizzly!!!

Welcome to the 2024 Football Season. Sounds crazy saying that, but our season got started when we opened registration. Let's get to work!

Last fall, GBHS welcomed girls Flag Football as an officially recognized sport. Head Coach Dallas Startz and his staff fielded both JV and Varsity teams. This year, The Touchdown Club welcomes Coach Startz, his coaching crew, players, and parents to our family. That means Flag will participate in our events and fundraising efforts. Buckle up, Flag families!
